

TERMS AND CONDITIONS  
PRIVACY NOTICE

Terms and conditions of use:

This white paper is provided to you as information only. We do not make any claims, guaranties, implied or otherwise as to whether you can use this paper to implement your application. You may use this information within your organization only. You may not transmit, duplicate, or share this information outside of your organization without expressed written permission from SciTech, Inc. (Scitechproducts.com). This information is proprietary and competition sensitive. By checking the box that you have read the information, you have agreed to an implied non-disclosure agreement.

Privacy policy:

Any information you provide is kept under strict confidence. We will not share, sell, or make available your personal information with any third party. We will use this information within our organization to follow up and see if you have further need for additional data, demonstration, or evaluation units.
